- By Wednesday, June 16th you may cancel up to 5 days of care between Tuesday, July 6th and Friday, August 12th.

Once these deadlines have passed, or if you have not scheduled for at least 20 days of care, you are financially responsible for the days of care you have requested. Eligible changes may be made with either Jenny or Jordan at the phone numbers or email addresses listed at the end of this packet.

Coupons: Parents will receive three coupons for each child that is scheduled for 35 or more days by Friday, April 30th. (Please note that the child must remain with at least 35 days scheduled for the summer after the June 16th deadline to remain eligible for coupons. If you become ineligible for coupons due to dropping days by June 16th, you will be charged for any coupons previously used.) Coupons can be used for days that are scheduled but not attended, provided that you report your child's absence by 9:00 a.m. on the day of the absence. If you do not register by April 30th, or your child is not scheduled for at least 35 days during the summer, you will not receive any coupons.

T-Shirts: Children must wear their Summer Kid's Kare t-shirt any time we are out in public. (This includes all bus trips and walking trips). One shirt is provided for each child as part of your registration and additional shirts may be purchased for \$10.00 each. (Please note: if a child does not have his/her t-shirt on a required day, a "loaner shirt" (if available) may be borrowed and your account will be charged \$10.00. If a "loaner shirt" is not available, your child will not attend the field trip).

Field Trips: The cost for all field trips is included in the activity fee due May 28th. Additional spending money is not permitted for a field trip unless it is a pre-arranged part of the trip. If it is allowed, it will be indicated on your weekly Schedule of Events.

Busses will depart on time for field trips and will not be detained for children arriving late. We ask that each child be at the center at least 15 minutes prior to a scheduled departure. These days and times will be indicated on your weekly Schedule of Events.

All field trips and special activities are subject to change due to inclement weather or other circumstances beyond our control. We will make every effort to reschedule or plan another activity, however this may not always be possible.

Sign-In and Sign-Out Procedures: Our licensing regulations require that an adult, with proper photo identification, sign each child in and out on a daily basis. Children **cannot** be dropped off at the curb. This helps to ensure your child's safety, as well as allowing for regular parent and staff communication.

Please be sure to list on your child's emergency card anyone that your child may be released to. Additionally, anyone picking up a child, including parents, must be ready to show picture identification until staff members become familiar with that person.

After Six Fees: Our program closes at 6:00 p.m. Any child that is not picked up by 6:00 p.m. will be charged the following fee:

6:01 p.m. – 6:10 p.m. - \$10.00

6:11 p.m. – 6:20 p.m. - \$30.00

6:21 p.m. – 6:30 p.m. - \$50.00

6:31 p.m. – 6:45 p.m. - \$70.00

*Pick up over 45 minutes late will be discussed with the Director.

After six fees are due at the time of pick up. In the event that you are late picking up your child(ren) more than three times, your child(ren) may be excluded from the program.

Medication Policy: Our program adheres to the Howell Public School's Medication Policy. Parents are encouraged to administer medication to their child outside of Summer Kid's Kare whenever possible. If this is not possible, the following steps must be followed for all prescription and over-the-counter medications:

- A HPS Medication Form must be on file with our program. This form needs to be completed by both the parent and the child's physician for prescription medication and the child's parent/guardian only for over-the-counter items. The form notes the medication, dosage, time to administer, anticipated side effects, etc.
- The medication must be in its original container (all prescription and over-the-counter). For prescription medication, there needs to be a label indicating the child's name, name of medication, dosage and frequency of administration.
- The first dose of a medication cannot be administered by the center staff due to the possibility of reaction.

Health Policy: Any child that is not able to participate in regular daily activities, including outdoor play, should be considered unwell and should not attend child care. If a child becomes ill while in our care, the parents will be contacted to pick up their child. Children with the following symptoms should be considered unwell: vomiting, loose, watery stools, fever over 100 degrees, undiagnosed rash, cough or runny nose, excessive eye, ear or nose discharge, excessive irritability. Children will be temperature checked upon arrival in the morning and parents will be asked a couple of COVID-19 health screening questions.

Sunscreen: We spend a significant amount of time outdoors during the summer program and request that each child has sunscreen available for application throughout the day. Parents are asked to provide a container of *non-aerosol* sunscreen, labeled with your child's name, to be kept at the center. In accordance with the Howell Public School's Medication Policy, a completed Medication Permission Form must be on file before sunscreen can be used. This form and waiver needs to be signed by the child's parent/guardian only.

Outdoor and Water Play: Our programs will go outside on a daily basis except in harsh weather conditions. Please send appropriate clothing for the expected weather conditions and ensure that your child has close-toed shoes to wear during active play.

Our program utilizes the playground at Little Highlanders Learning Center (Southeast Campus) which is approved by the Michigan Department of Education. The playground equipment may or may not comply with the 1997 edition of the Handbook for Public Playground Safety.

We ask that each child keep a change of clothes at the center during the summer months. We never know when the weather will be perfect for a water day and we would like to have the flexibility to have some splashing fun!

Discipline: It is our goal to provide a safe and engaging child care program. Children should feel secure and welcome and enjoy attending. Students will be held to the same behavioral guidelines as outlined in the Howell Public Schools Student Code of Conduct. If disciplinary intervention is needed, we will follow the Howell Public Schools Student Code of Conduct; handling it in a positive manner that encourages self-control and builds self-esteem and cooperation. At times, a child may need to be removed from the group until he/she is able to follow directions. Corporal punishment, demeaning a child, depriving a child of food or confining a child to an enclosed area will not be used as a means of discipline. Please discuss the following rules and consequences with your child:

Basic Rules:

- Respect center staff and other children.
- Follow directions as given from staff.
- Keep hands, feet and objects to yourself.
- Use appropriate language.

- Use equipment and supplies in an appropriate manner.

Consequences:

- Verbal warning.
- Separation from group.
- Loss of privileges.
- Incident report sent home.
- Suspension from program.

If at any time a child's behavior endangers those around him/her or becomes excessively disruptive to the child care program, the program directors reserve the right to immediately exclude the child.

Meals and Snacks: Parents are responsible for providing lunch and a morning and afternoon snack for their child. Refrigerators and microwaves are *not* available, so please plan your child's lunch and snacks accordingly. There may be times that field trips or special activities include a snack or lunch and these will be indicated on your weekly Schedule of Events.

Items from Home: Children may not bring weapons of any kind, roller blades, skateboards or baseball bats from home. Electronic equipment including radios, MP3, ipods, tablets, cell phones and electronic games are also not permitted except on designated Electronic Days. Kid's Kare and Howell Public Schools cannot be responsible for any items brought from home that are lost, stolen or damaged.

License: The Summer Kid's Kare site is fully licensed by the State of Michigan Department of Human Services Bureau of Children and Adult Licensing. A licensing notebook is available for parents to review at each site during regular hours of operation.

In accordance with the Child Care Organization Act (1973 PA 116) which was amended on May 27, 2010, this notebook contains the following information:

- A summary sheet outlining all of the reports and Corrective Action Plans contained in the notebook.
- Original Licensing Inspection Reports and Addendums
- Renewal and Interim Inspection Reports
- Special Investigation Reports

Additionally, licensing inspection and special investigation reports for the past two years are available on the Bureau of Children and Adult Licensing website at www.michigan.gov/michildcare.

On Monday, May 17th we will distribute the Schedule of Events for the first week of Summer Kid's Kare and your first packet of weekly bills. These will be distributed through the individual Kid's Kare sites if you are currently using our program or through the mail. Your payment for the activity fee and the first week of care is due by Friday, May 28th. Payments can be made at the individual Kid's Kare sites or in the Early Childhood Education office.
